# MCTC Club Mobile App

The Meadows Club Mobile App is designed to be an information hub for all club members.

You will find news items such as links to club events, updates about Social Mixer sessions, links to our league teams results, as well as club governance such as booking onto Social Mixers, club documentation and information about partner discounts.

You can also connect with your fellow club members through the chat function (your contact details are not disclosed), and get your digital club membership card.
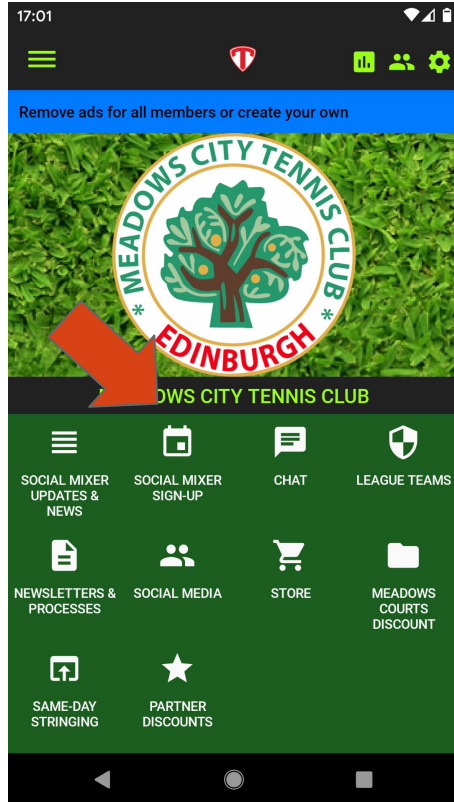

How To Get The App

1. Search in Apple App Store or Google Play Store for "Stack Team App", and download
2. Sign-up to Stack Team App. You'll be sent an e-mail to activate your account.
3. Log-in, then search for "Meadows City Tennis Club", and request to become a member. Approval will be pretty quick

Web Based Version

For those who prefer a web based experience, rather than the app, you can get this too. Head to https://meadowscitytennisclub.teamapp.com/ and follow the sign-up process. All the information published to the app will be mirrored on this site.

Sign-Up for Club Mixers & Events

The mobile app has replaced Clubspark as the way we gather sign-ups for our Club Mixers (and other events).
We ask all members to indicate their attendance at Club Mixers. This enables us to ensure we are not over-booking courts. It's a simple process:

- Tap the "Social Mixer Signup" button
- Tap the session you wish to attend
- Tap "Yes"

That's it! The Web Based version follows the same approach.

If there are changes to sessions (e.g. due to bad weather), these will appear in the Social Mixer news section, and you will receive a push notification (or email if you prefer - you choose in your settings).

Club Membership & Discount Card

Members of MCTC are entitled to discounted court bookings at the Meadows outside of the club sessions.

If you want to do this at the courts, you will need your digital membership card - which you can get through the app:

1. Tap "Store", and select "2022 Membership Card"
2. Fill in your name, and upload a photo of yourself (not any other image) - please note discounts may be refused by staff at the courts if this is not done
3. Tap "Add to Cart"
4. At the top right of your screen your shopping cart will now have a red "1" icon - tap this.
5. Tap "Checkout" then tap "Process Order".

Your membership card will now appear in your app "wallet". On the opening screen of TeamApp, you can access your wallet through the settings wheel at the top right of your screen.

If you use the web version, unfortunately you can't get the digital card. You can still get your discount by calling Craiglockhart - details in the Court Discount section.
